## CTK September 6, 2011 Newsletter

### IMPORTANT NEWS FROM OUR OFFICE!!!!

*Whatever you do, in word or in deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him. Col. 3:17*

Dear Parents: We hope that you all enjoyed the Labor Day weekend! We are re-energized for our third week of school!

Several parents have asked about the school's policy on bringing Amazon Kindles (or other e-book readers) to school. Actually, we have had no policy in the past as it has not been an issue; however, now we do want you to know what our policy will be going forward.

**If parents feel that it is beneficial for their student to read from an e-book reader (strictly an e-book reader), the student may use one at the parent/student's own risk. The school will not be responsible for the loss or damage of any personal property.**

Parents are always welcome to join their student(s) for lunch in the cafeteria. If you desire to purchase lunch at school, be sure that you get included in the morning lunch count through your student or directly to Mrs. Hopkins, the cafeteria manager, at drop off in the morning.

I am still taking names for volunteer lunch monitors. Volunteers must be **Virtus** trained and, fear not, you will not be left totally alone! If you can come between

11:00 and 1:15 any day of the week, please email me at [fgagne@ctkparish.org](mailto:fgagne@ctkparish.org) and I will get you on the schedule.

We hope to have Edline up and running by Monday, September 12. With the up-grades came a few "glitches" which we are all accustomed to with technology. Thank you for your patience.

If you have any questions or concerns, please feel free to contact me!

Sincerely,  
Francine Gagne- Principal

*From Mrs. McKenna: All Technology and Book Fees are due NOW. Please make arrangements to pay those now. Also, all school contracts should be returned by the end of this week- no exceptions.*

Girls on the Run, is a life-changing, character development program for girls in 3rd through 5th grade. Our mission is to educate and prepare girls for a lifetime of self-respect and healthy living. We utilize the power of running to provide girls the tools to celebrate their bodies, honor their voices, recog-

nize their gifts and activate their power.

Girls on the Run, combines training for a 5k (3.1 miles) event with healthy living education. We use exercise, positive reinforcement, and encouraging role models to help girls discover the confidence they need in those critical pre-teen years and beyond. Through interactive activities such as running, playing games and discussing important issues, participants learn how to celebrate being their unique and real selves. Our hope is that every girl believes and can say, "I belong just the way I am."
