Catholic Schools Week is Coming!

We will start the week off with an Open House for Prospective New Families on Sunday January 29th from 12-2. Please join us as we welcome potential new families, honor our current families and generally "show off" everything that is great about CTK! If you can help tell the CTK story at Open House, please contact Amy Kallenbach.

Don't forget our REFER A Friend program! If a family you refer registers with CTK, we will waive your Registration fee for next year! Tell all of your friends!

IMPORTANT NEWS FROM OUR OFFICE!!!!

Dear Parents and Friends:

We hope to see you at the PTO General Meeting this Wednesday, January 18, with classroom visitations at 6:30 and meeting at 7:00 p.m. At the meeting, Mr. Rafael Barreiro will explain the filming project he undertook at CTK with the participation of some of our students and the assistance of our Broadcast class. It will be an interesting presentation.

Catholic Schools Week will be celebrated throughout the United States beginning Sunday, January 29. We will begin our week with Open House for current and prospective families. The program for prospective families begins at 12:15 in the gym. While this has been advertised in different ways and places, word of mouth is powerful if you have friends or neighbors who may be interested in seeing what CTK is all about. Next week we will give you our calendar of activities for the entire Catholic Schools Week.

Have a great week!

Francine Gagne

CTK is proud to be a part of the Catholic Field Hockey League! Games are on Sundays at Bishop Sullivan Catholic High School and practices are once/twice a week. We'd like to have several teams for the Spring season and we are in need of 2-3 coaches. The more coaches we get, the more teams we can have for girls of all ages. Please consider helping with this

exciting sport! Contact Sara Hahne shahne@ctkparish.org for more information.

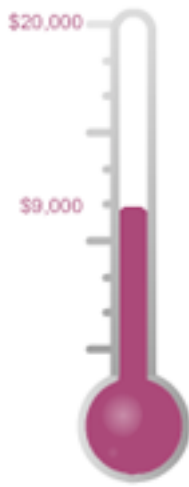

Kindergarten Korner
Parents, K-A is in need of your empty tissue boxes to use for Valentine's day. The tissue boxes need to be the long ones with the openings at the top (not top and side). We are also in need of 27 cardboard egg cartons. If you can help us out with any of these items please turn into the office or to Mrs. Hahn. Thank you for your help in advance.

K-A would like to say a BIG THANK YOU to the Tunney family. We were in desperate need of a new rug for our classroom reading area and the Tunney family generously donated a beautiful new rug to our class. THANKS SO MUCH!

HEADS UP! WE HAVE SOMETHING REALLY FUN IN STORE FOR THE WHOLE SCHOOL! LOOK FOR A LETTER ABOUT THE RACE FOR EDUCATION COMING HOME ON FRIDAY!!!!

CTK Annual Appeal

Great News! We are almost at the half-way mark for this year's Annual Appeal goal after only 1 month. Many thanks to the parents, alumni, grandparents, faculty, Board members and parishioners who have donated or made pledges to this important development effort!

Have you made a donation or pledge yet? This is the most important effort our school undertakes in order to advance our mission.

You can make a donation on-line or pick-up a donation envelope from our main office. Remember, we can set up installment plans for your pledge. Every donation counts- no matter the size.

Just as a reminder:

[How does the Annual Appeal Fund benefit my family now?](#)

Gifts to the Fund help CTK to maintain small class sizes, enhance innovative curriculum and programs, maintain the school's facilities, and enrich athletics, the arts, and extracurricular programs. All students benefit directly from funds raised.

[I pay tuition; why do I need to contribute to annual giving?](#)

Parochial schools like CTK depend on annual gifts from parents, alumni, board members, faculty, and friends to help cover the gap between tuition dollars and the actual cost of educating each student. In addition, when CTK is under consideration for grants from foundations, the level of com-

munity participation in annual giving plays an important role.

[Are my gifts tax-deductible?](#)

Yes! CTK is a federally-registered 501(c)3 non-profit, which means that gifts to the school are tax-deductible to the extent allowed by law. All donors get a formal acknowledgement of their gift to present to their tax professional.

[Can I make my gift in installments?](#)

Absolutely! We can work with you to maximize your ability to make a gift by creating quarterly or even monthly payment plans. To make it even easier for you, donors may give the Development Office a credit card, set up a planned gift, and think about it only when the thank you notes come following each gift! We can schedule to start your payments when convenient for you. Make your pledge now and fulfill by June 30, 2012.

[How much should I give?](#)

Only you know what you are able to give. Sometimes we ask for too much; sometimes we ask for too little. A good rule of thumb, "Give until you are proud."

PTO SCHOOL SUPPLY CART

Open for business! Did you just find out on your way to school that your student needs new pencils, erasers, or is out of paper? Don't worry, our School Supply Cart is now open by the NJHS students every Monday, Wednesday and Friday morning before assembly in the foyer in front of the snack bar window. We have all your supply needs. Teachers, stop by and take a look too. Let your parents know we have what your class needs. Look for a price list on the PTO page of Edline by the end of this week. The Cart will also be open this Wednesday night during the PTO meeting.

COUGAR CASH SCRIP CARDS SPECIAL

Right now while supplies last, you can get a CTK travel mug for \$1 with any purchase of a food or drink Cougar Cash gift card. Also, don't forget that we sell \$2 note cards for many occasions...Happy Birthday, Thank You, Congratulations...to complete your gift card giving needs.

BOTANICAL GARDENS OF LIGHT TICKETS WINNER

CTK students are winners! Our school sold the most Garden of Lights tickets for the Botanical Gardens out of all the participating schools so we win a free field trip to the Gardens in the spring. This means that the class at CTK who sold the most will enjoy this spring field trip of fun. Our lucky winner is Mrs. Antiskay's kindergarten class. Congratulations! Enjoy your day in the beautiful outdoors. Thank you to everyone who bought tickets this year. We appreciate you supporting CTK and hope you enjoyed the new, exciting show of holiday lights with your loved ones.

Bishop Sullivan will host the first Catholic Middle School Science Bowl for South Hampton Roads on Saturday, January 21st. Teams from St. Matthews, Christ the King, St. Patricks, Star of the Sea and St. John the Apostle will compete for trophies and prizes.

The competition is being run by our science club and science national honor society students and is designed to help prepare our middle school students for the Virginia regional competition at Jefferson Labs in March.
